Re: Meridian Road/Larry McCormick Matter

Dear Ms. Gibbs:

I'm sorry that I have not had the opportunity sooner to follow up with a response to the above-entitled matter. The Commissioners have considered the matter but cannot enter into a license agreement for a county roadway. That being said, as you recall from our meeting, the Road Department would be available to be present while the paving is done. If you also recall, there does not appear to be an actual dispute regarding the width of the pavement. Accordingly, if what is happening does not infringe on what your client believes to be his property, there would be no need for litigation even though each party still believes the other to be wrong.

I will hope you will consider this as a way to resolve the matter.

Sincerely,

George H. Corn
Ravalli County Attorney
